

**January 2015**

**FEBRUARY CONCERT CANCELLED**

"Our concert scheduled for Sunday, February 8, is cancelled. Our Board of Directors has revised plans for 2015, placing highest priority on the summer concerts in the parks. The grant which funded our expanded season last year was not renewed, so we are now looking for new funds for the Community Band Festival in August and the Spring Concert in May. For more information go to: [Financial Support](#).
